N8PAR53

N8PAR53 è la cabina doccia per chi vuole l'eliminazione quasi totale di ogni profilo. Il braccetto di sostegno permette massima stabilità e leggerezza visiva.

N8PAR53 is the shower box designed for those seeking the near-total elimination of profiles. Its support bar provides maximum stability and a sense of visual lightness.

L'ampia fascia orizzontale, satinata, del cristallo caratterizza questo modello. Regala ritmo visivo e aumenta la sensazione di comfort, creando una parziale schermatura visiva durante ogni doccia.

A wide horizontal satin band on the glass defines this model. It adds visual rhythm and enhances the feeling of comfort while providing partial visual shielding during every shower.

Flat
90x200 cm

Una delle caratteristiche peculiari del marmo resina è la sua alta versatilità. I piatti doccia infatti grazie alla estrema facilità di taglio, risolvono problemi di installazione fuori squadra o di presenza di pilastri o colonne.

One of the peculiar characteristics of marble resin is its high versatility. The shower trays, thanks to the fact that they are easy to cut, resolve out of square installations or problems related to the presence of pillars or columns in the shower tray area.
